Okay, I'll be brief. I'm hanging out with my BFF Hadley when Logan comes in. He said he'd buy us more D&D stuff if we would fuck him. She and I looked at each other and I said I'd go first. I stripped down and Hadley went to sit on the edge of the bed. I told him to put his dragon in my dungeon.

BUNNY HONEY

The "Easter Bunny" had a big surprise for Megan

Last Easter, Mike and I had still been together, and we'd had dinner at his folks' house. This Easter, I didn't know what I was going to do for the holiday, and having dinner alone was not a happy option. So when my friend Jill invited me to join her family and a couple of other "unattached" friends, I was grateful.

Not wanting to show up empty-handed, I decided, two days before the holiday, to go to the mall and visit the candy store there. I wasn't on the hunt for marshmallow peeps—I had in mind large, fancy chocolate eggs with rich, flavored, creamy centers and elaborate, impressive scrollwork on the outside. I'd seen them advertised in the local paper. Far from cheap but reportedly delicious, they'd make a hostess gift Jill was sure to appreciate. What woman doesn't like to get chocolates?

The mall was all decked out for the holiday. As I wandered into center court, I was amazed at the number of kids there. Then I remembered having seen in the paper, "Have your kids' pictures taken with the Easter Bunny, right in our center court!" Sure enough, there was the Bunny himself, tall and big-eared, posing for pictures. I watched, amused, at the kids' reactions. Some tried to get as close as they could, while others shied away fearfully.

The Bunny was posing on a bench in an area labelled CARROT PATCH, and as I watched, I saw a mall worker put up a sign that said, GONE TO GET SOME CARROTS. BACK IN 30 MINUTES. Then the bunny got up from his bench. Figuring that show was over for now, I turned my back and began perusing a store window.

Suddenly I felt a light pressure on my shoulder. I turned…and saw that the Easter Bunny was standing behind me. "Would you like to share a carrot with me—or maybe a cup of coffee?" the Bunny asked in a fakey, squeaky Bunny-voice.

Now, I've always been an adventurous sort. There was something quirky yet fun about having a cup of coffee with "the Easter Bunny." I had no idea what the guy under the costume was like but…why not? Nodding agreement, I turned toward the Starbucks about 20 yards away.

"No," the Bunny said, putting a paw on my shoulder again. "I can't be seen out of costume. And I can hardly drink coffee through this." He tapped his Bunny face. "That guy over there will get the coffee for us. We'll have to drink it back there." He pointed to a door marked NO ADMITTANCE, then asked what kind of coffee I wanted.

For just a moment, I wondered about my safety, but then my concern evanesced. The Bunny spoke to the mall worker who had put up the BACK IN 30 MINUTES sign, then put his arm around my shoulder and led me through the NO ADMITTANCE door and into a back area.

"What's your name?" the Bunny asked.

"Megan," I answered. "And yours?"

He chuckled. "Everyone knows my name."

"Your real name."

The guy with the coffee showed up just then, and the Bunny handed me mine. Then he put his down, put his hands to the head part of his costume, pulled it up and off…and surprised the hell out of me!

The Easter Bunny was a girl!

The shock must have registered on my face. The

girl inside the bunny costume began laughing, a full-throated laugh of pleasure. "Surprise!" she said.

"I certainly am surprised," I agreed.

"Now I'll answer your question," she said. "My name's Courtney. I was interested in getting to know you better—but I wanted to be sure you knew what you were getting into."

Was she implying what I thought she was? I had had a lesbian experience with a dormmate in college, so I wasn't a total virgin to bi activities, but I wasn't sure I was reading her right. Maybe she wanted only friendship?

"I whip up a mean lasagna," Courtney said. "Would you like to come over for dinner one night after Easter. You do understand you're the dessert?"

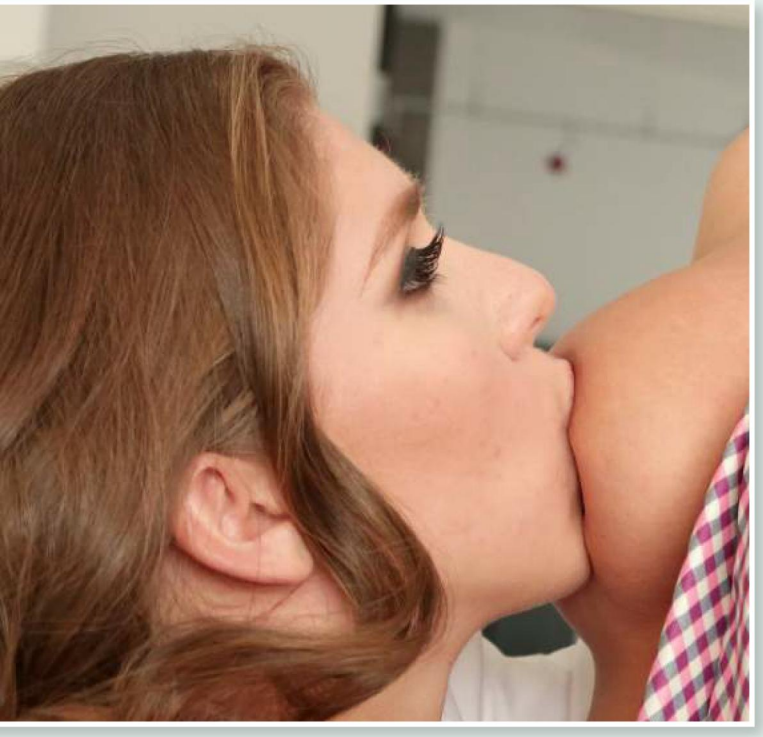
Then she did mean what I'd thought.

"I—I'd like that. I'd love to come over for dinner… and…well, 'dinner and'."

Courtney's smile widened. She scribbled her address on a paper napkin and handed it to me. "I'm looking forward to it…very much. How's Wednesday evening?" I nodded. "Six o'clock?" I nodded again.

"I'll bring the wine," I offered.

Courtney lived in a small but neat house on the outskirts of town. The place smelled wonderfully of cooking smells, and Courtney smelled wonderfully of Courtney—a faint undertone of perfume, but mostly a fresh, womanly scent. She welcomed me with a Hello



hug, and I noticed acutely the way our nipples brushed each other and our breasts smushed each other.

Courtney moved her upper body slightly, putting friction on my nipples; then she tilted her hips forward, pressing her pelvis against mine and causing my pussy to juice. In fact I had been juicing on and off all day, imagining what Courtney and I might do together, but it had all seemed slightly unreal; now, suddenly, with the warmth of her pussy burning mine through our clothes, with her nipples tantalizing mine, and with her lips pressed firmly against my lips and her tongue probing past my teeth, it all seemed very possible.

It seemed all the more real after dinner—a dinner we rushed through in our eagerness to get upstairs to the bedroom. The lasagna was good, but we both had other things on our mind. When Courtney announced, "Time for dessert," I stood up and grabbed the dirty plate in front of me. "Leave the dishes," she said, her voice thick with lust and quavering with eagerness. "We'll get them later."

Upstairs, she peeled my sweater off, exposing my black nylon bra. This she left on while she sucked my nipples into her mouth one by one, tonguing my nips through the material. Her tongue swirled around my

Courtney was wearing a thin white demi-bra; I could see the very tops of her areolae over the edge of the bra. Bending low, I licked the exposed brown flesh, then removed the bra and took one nipple into my mouth.

now-rigid promontories, wetting the bra…though if you want to talk about "wet," nominate my pussy for the prize in that category. Courtney's actions were getting me so turned on that the pussy-slush was sluicing down from my insides faster than the water over Niagara.

When she took my bra off me, Courtney just stared in awe at my breasts. "They're perfect!" she whispered rapturously. "Absolutely perfect."

"Let me see yours," I said, feeling brazen. She had on a button-front blouse, and I fumbled with the buttons as I worked to get the blouse off her. Courtney was wearing a thin white demi-bra; I could see the very tops of her areolae over the edge of the bra. Bending low, I licked the exposed brown flesh, then removed the bra and took one nipple into my mouth.

As I sucked Courtney's boob deep into my mouth, she reached for my crotch and began to stroke me through my pants. I struggled to rid myself of the pants without losing my mouthgrip on her boob. Soon I was naked, my lips compressed around her nipple and my tongue flicking determinedly across her brown button while her hand swiped its way through my slit.

Wanting to even things up, I divested Courtney of her skirt and panties. Now we were both naked, and Courtney pulled me to the bed in a tangle of arms and legs and boobs and exploring (and messily wet) fingers. I'm not sure exactly how we wound up in a 69 position, but when I found my face pressed to Court-

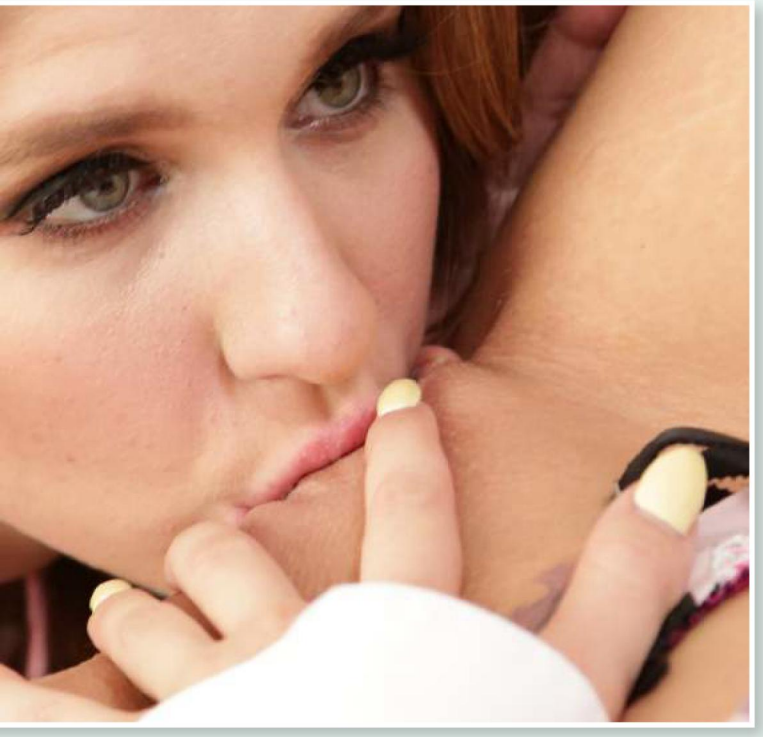
ney's aromatic pussy, I knew just what to do. And Courtney seemed to have the same idea.

As her tongue darted out and skittered between the folds of my lust-engorged pussy-lips, my tongue was already lodged within the folds of her valley and seeking out her plump grape of a clit.

Too hot to lie quietly, we humped each other's face, rolled back and forth, and probably looked more like we were wrestling than making love. Every time Courtney writhed and humped and wriggled, her clit escaped from my tongue, but I got back on target quickly every time, fighting to stay locked in on that slippery, swollen, nectar-drenched flesh-button.

Courtney was having trouble staying in place on me, too. But as I pressed my pussy to her face, just the action of hunching against her brought me ever nearer to climax even when her tongue strayed off my pink pearl. Then her hand found my breast and intensified the sensations coursing through me as she squeezed my breastmeat and twiddled my nipple insistently.

"Wait. Let me up," she gasped, struggling for breath. "I have some toys we can play with, too." We separated, and she sat up and reached into her nightstable drawer, pulling out three vibrators. Turning on the first one, she licked the tip, then applied it to my brown butt-ring and gently slid i inside me. I squirmed wildly as the buzzing intruder tunnelled determinedly up my anal canal under Courtney's guidance.



She began to pump it slowly in and out of my backdoor, twisting it to and fro as she rocked it in and out. I lay on my side and shivered with heat. Then she turned the second vibrator on and thrust it rapidly up my pussy-tunnel. Wet as I was, the gadget had no trouble sliding inside me, and soon there were two buzzing gizmos within me.

She left the one in my pussy just lodged in place in my streaming pocket, but she continued to work the one up my ass back and forth and round and round, titillating and tantalizing me. Then she wedged her face into my vee and began licking at my clit again.

I grabbed the third vibrator from her and began to slide it up the tunnel of her pussy. She, too, was plenty juicy, and I found that the entry was easy. I slid it in and out of her as she worked over me, and soon she crested to her first orgasm. "Now, on my clit," she begged.

I was still straining toward my first come, and I was so out of my head with need that I had trouble grasping the vibrator and pulling it out of her tunnel, but I managed, and I got it in place against her clit. Courtney began to moan and, her juices streaming onto my hand, and then she was in the throes of an unmistakable second climax. "More!" she gasped when I slowed down the motions of my hand. "I'm not finished yet!"

But as I pressed my pussy to her face, just the action of hunching against her brought me ever nearer to climax even when her tongue strayed off my pink pearl. Then her hand found my breast...

So I ran the buzzing plastic fiend across her clit-tip as I myself strained to come off. Meanwhile Courtney surged into two more incredible orgasms, before pushing the vibrator away and saying, "That's it. I'm done. I'm too sensitive now." And then she began to turn her full attention to me.

Her mouth latched onto one of my boobs, sucking at the nipple and then at the whole snowy peak. As my conical breast disappeared into her mouth, her one hand continued to thrust the anal vibrator in and out, fucking me lewdly and demandingly with it. The palm of her other hand held the pussy-vibe in place while one finger skated relentlessly across my clit-tip, coaxing me ever nearer to relief…and bliss.

Bliss wasn't long in coming…nor was I. I felt it start to happen like a spring being wound tighter and tighter and tighter. The pressure built in my lower body, and I broke out in a serious sweat as I strained and strove and drove toward climax. Then the overwound spring gave, and suddenly my whole nether area was tingling and exploding, and my body was unwinding rapidly. My tightened body uncoiled and relaxed, and I found myself sobbing with sheer relief. Courtney and I embraced, and we held each other and exchanged light, soft kisses.

That Friday, at work, we were standing around the table in the break room and pigging out on leftover chocolates brought in by some of my co-workers. "So what did the Easter Bunny bring you this year?" one of them teased me. I just grinned.

ABELLA DANGER

Never has a name been more appropriate for a performer than Abella's. Exploding on the scene from Florida, she's now a star that can call her own shots, including who is going to put their penises in her holes. Today's twosome are two of her favorites, and she shows them why. As usual, she's breathtakingly and sexually amazing in this no holes barred threeway. She teases her admirers with her slinky cat-like poses, then starts the action by sucking on their boners, turning them into putty in her pussy and anus at the end.

Pucker up

Did you ever lick a girl's butt? Get down and dirty with her little puckered rosebud? Oh, I know, it's not always easy to get a taste of that musky hole; those sweet little girls are kind of shy when it comes to their most private spot. But once you get them going, oh, they're hot for it. Most of the time, once you lube them up good and hot with your tongue, they'll let your greasy old pole up there, too.

Like Rosie, my 19-year-old girlfriend. She's sweet as can be and shy as all get-out, and she sure put up a fuss when I first wanted to kiss her sweet butt. But one day I got her good and excited from licking her pussy, and by the time she'd come three times…well, she was in no mood to argue.

Especially not after I got her on her hands and knees and stuck my tongue in her quivering little brown eye. Ooh, she squealed then, that was for sure, but she didn't stop me. Hell, no. Instead, she wiggled those little baby hips of hers, squealed some more, then shoved herself up against my face. Yeah, she liked it already.

I sucked at her pretty pucker for a while, then stuck my tongue just as far as it would go into that tight hole of hers. Lord, that got her going. She even started to play with her clitty, and Rosie's usually way

too shy to be touching herself in front of me. But she was one hot little girl that day, let me tell you.

I was feeling that way, too. After I'd licked her clitty till she screamed her little heart out, then sucked on her tight little bunghole while her pussy-juice ran down my chin, well, I was starting to feel the strain. My poor dick was screaming for action, and the action it especially wanted was right there in front of my face.

Lucky for me, I happened to have a big jar of lube sitting right there on the nightstand. Not that Rosie and I ever needed it—hell no! Her little teenage pussy was juicy pretty much 24/7. But on that occasional night when I wasn't fucking her silly…well, I liked a little something to soften the stroke, if you know what I mean. So I dripped some of the greasy stuff down into her crack and started rubbing it in real good.

Rosie didn't quite know what I was up to, but she sure liked the way my greased-up finger was poking at her asshole. I massaged that tight little sphincter good. Then I reamed her with one finger till she was loose enough for two, then three. Hell, she was drooling all over herself by then. She liked it that much.

That's when I made my move. "Rosie, my girl," I said, while I kept up the three-fingered fucking, "you've got the prettiest ass of any girl I know."

She liked that. Hell, she practically wagged her tail at me.

"You like it, Rosie?" I asked her then, wiggling my fingers in deep.

"Uh huh," she said, only she was kind of whining by then.

"You want some more, honey?" I asked, real sweet, and I could feel her hesitate. I stuck a couple of

fingers in her pussy, for emphasis, and that seemed to do the trick.

"Uh huh," she said, real quiet this time, but I could tell how badly she wanted it, so I poured a glob of lube over my swollen dick and started rubbing it on her behind.

She was kind of moaning by then, all low in her throat, and her butt was wiggling like crazy. This was one girl who was more than ready to take it up the ass.

I rubbed my dick all over her cute little pucker and lordy, that felt good. But not good enough. So I grabbed on tight to Rosie's little ass-cheeks and started to push, real slow.

Holy shit, was she tight! I got just the head of my dick into her tiny little asshole and thought maybe I'd died and gone to heaven, she was squeezing me so tight. What I really wanted to do was to ream her good right then, but I sure didn't want to hurt the little thing, so I stayed real still and let her get used to it before I started in again.

Pretty soon she was wiggling that tight little teenage ass at me again, and I figured she was ready to take it all, so I speared her good. She kind of grunted a little, like she was surprised or something. Then she shoved herself back on my dick and took every last inch.

Well, that was enough for me. I'd

waited so long I thought my dick was going to fall off, and now it was time to fuck her real good. She kept diddling herself and came another time or two, hollering her little head off, while I just plowed into her rosy red little asshole. Damn, she felt good. Better than good—the best little butt I've ever had, to tell the truth, and I've had plenty.

Good enough so that in just a few minutes, my dick pretty much exploded into her pretty behind.

Lordy, I'm pretty sure I was hollering then, too, the way her tight little hole was clamping down on me and sucking all the jizz right out of me. I grabbed hold of her little butt-cheeks and just plowed my way home, emptying my load into her little back door.

She kept right up with me till I was done. Then she turned around and smiled real pretty at me.

"Gosh, that was fun!" she said, like she'd just been to a party instead of taking it up the ass. But she was right—it sure was fun. And now every time I lick her pretty asshole, we have more fun just like that.

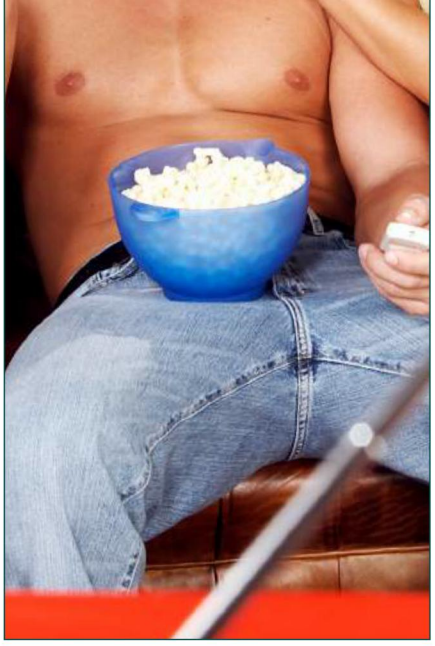
Sealing the deal

My name is Amber and I'm writing to share an experience I recently had, and to encourage any reader that may be in the same predicament. Like many contemporary women, I've come to realize how hard it is to keep a man. Even a good one. So we have to use our womanly wiles and maybe go beyond our comfort zone.

Her name was Daniella and she lived in our building. She was a neighbor of ours and I'd spotted her in the elevator a few times. We got to talking one day as we waited for a cab. She told me she was 21 with a working father and



mother. She just graduated college and was looking to start a career in fashion. I told her how beautiful she looked. She blushed and giggled and I found that quite refreshing to hear it from another female. I told her I wanted to sexy-up my underwear wardrobe and what better person than a beautiful, upcoming fashion designer.

We set our plans for Saturday and met at Monroe's lingerie department. We went through almost their entire inventory of 36Cs and settled on six new bras for me and a dozen pair of panties that included eight g-strings and thongs. I had never worn such sexy stuff. I convinced Daniella to come back to my apartment and help me choose some of them to wear during the week. I'd supply the wine and laughter.

As we entered my apartment, my husband Spencer was there watching college football games. I introduced them and headed off to the bedroom with her to try on the new stuff. While I was modeling them for her, she told me that she had just split with her boyfriend of four years because he found out she had experimented with girls in college. No matter how much she tried to explain and ask forgiveness, he wouldn't hear of it. They split and she had been wandering from one night stands to month long affairs, none of which were very satisfying.

As the afternoon wore on and the wine wore us down, I slowly incorporated hints of a threeway to liven up both our lives. She seemed amused by the thought and I invited her for dinner on Sunday night. She agreed and I saw her to the door. We gave each other a big hug to seal the deal. After she leaves, I go over to Spencer, still eating popcorn and join him on the sofa to watch the end of the game. I told him of the dinner invite and at first he seemed a little negative until I mentioned that she was bisexual and if he wanted to do her, I meant us, that would be okay.

It's now 7 pm on Sunday night and she's right on time. He gets the door and invites her in. All three of us are dressed nicely and I have a sexy bra and panty set on that he doesn't know about. Dinner passes nicely with good conversation and laughs. Spencer and Daniella seem to have hit it off and are comfortable with each other. I ask him to clean up the dishes while she and I get something to show him. Daniella and I go into the bedroom and I show her what I'm wearing underneath. She lifts her top to show me hers and I smile approvingly. I tell her to go get Spencer and bring him in here. She does and when he comes into the bedroom, he finds me standing in front of the bed in a hot red half bra and lace thong that drops his jaw.

Now, Daniella strips out of her clothes without being asked and her body was stunning. She was around the same height as me but thinner. To balance that she had bigger tits and bigger hips and a beautiful ass. Her skin was smooth as silk that cried out to be licked. She unhooked her bra and threw it aside. Then she sat on the bed and peeled her panties down her long tanned legs. Her muff had the smoothest, straightest pubic hair I'd ever seen, not that I've seen a lot. Not only that, it gleamed like satin and made my mouth water. At any rate the chill had gone out of her manner so I wrapped my hands round her head, pulled her towards me and kissed her full on the mouth.

As I went to remove my underwear she stopped me. "Leave it, it's sexy," she said. That silky muff was where I wanted to be but first her perfect tits demanded to be sucked. One of her hands was inside my panties and seemed to be enjoying the smoothness of my pubic mound. I put my hands on her meaty ass and squeezed her buns. I pulled the cheeks apart

and saw Spencer's eyes widen.

He leaned towards us but I wasn't prepared for what happened next. He lunged forward and buried his face in Daniella's ass. If it came as a shock to me it was just as much of a surprise to her and she jumped. Surprisingly she smiled. She lay face down and spread her cheeks with her hands by way of invitation.

This time I wasn't missing out on seeing her starry hole and joined Spencer between her legs. We jostled to see who would get first attempt at rimming her. I unzipped his fly, pulled out his cock and popped it onto my mouth. From the top of the bed I heard Daniella moaning loudly as Spencer fucked her ass with his tongue.

Dear reader, I'm having to stop here because I have to go to work. Please use your imagination as to how this little tryst climaxes. No matter the ending, I was happy sharing this exciting night with you.

– Amber

Get one, now!

My girlfriend loved her little 'pocket rocket' and said she used it all the time when we weren't together. I asked why she didn't use it when we were together? She told me that she wanted a bigger one to use with me. So I suggested we ride over to the head shop where they sell sex toys too. She readily agreed.

She wanted an eight or nine-inch jelly-type vibrating dildo with variable speeds and silver glitter all over. I was a little surprised by her very detailed description but let it go. We bought a really bright purple one with lotsa knobs and ridges and vibrations.

In the car, she took it out and put in the batteries and pulled down her panties. Turning it on, she looked at it and smiled at the shriek and quickly put it to her clit and started rubbing it there. Then she pushed it into herself. She stopped and turned it on, telling me we can go to the park since it was just a mile or so from where we were.

When we got there, she took no time pulling her skirt and panties off. She sat on a park bench and started rubbing it on her wet slit. As she rubbed up and down, she would put it in slowly at first. Then she started picking up speed.

I couldn't stand it any longer. I pulled my shorts off and joined in on the fun. I sat next to her and she stroked me with her other hand. She didn't have to pull on it very long, watching her fuck that toy and scooting closer to the edge of the bench. Her legs were opening themselves wider and she was pushing it in deeper. I came and shot a load five feet in front of me. Seeing that, she almost laughed. Her laugh turned into a long sigh and her nipples hardened up like two pencil erasers under her white tee shirt.

Then she closed her eyes and started mumbling with the vibrations. Her hips pushed harder into the vibe and she pushed it in deep as she could. Bobbing up and down in that position three or four times, she pulled it out and a huge drop of lady cum spilled out onto the ground.

We gathered ourselves up and headed back to my place to do the wild thing. Since then, she has become quite a happy fucker. Let me tell you guys, if your woman doesn't have a vibrator, I suggest you get her one, now!

Directed By: Mike Quasar

Commanded by an award-winning cast and crew—director, Mike Quasar, sets the screen ablaze by delivering a movie that showcases sultry massages and oily asses. Honoring the requests of their kinky clientele, this staff of horny hotties is more than willing to offer *Happy Ending* massages and some professional TLC (tits, lips, clits). The effects are so intense; you'll be the one rubbing one out!

The movie begins with Mischa Brooks showing up at Michael Vegas' house with her massaging gear in toe. After the massage begins, Michael requests that they switch places, turning him into the masseur. This quickly makes way to sexy body fondling and a solid stroke session that has her climaxing in missionary position.

Meanwhile, Alex Gonz has phoned the massage agency, requesting a blonde, and in walks Vanessa Cage. Getting right to business, Vanessa massages his muscular body, paying extra attention to his big, fat boner. Continuing in her mouth, Vanessa polishes his meaty bits before allowing him the use of her vagina to massage his cock.

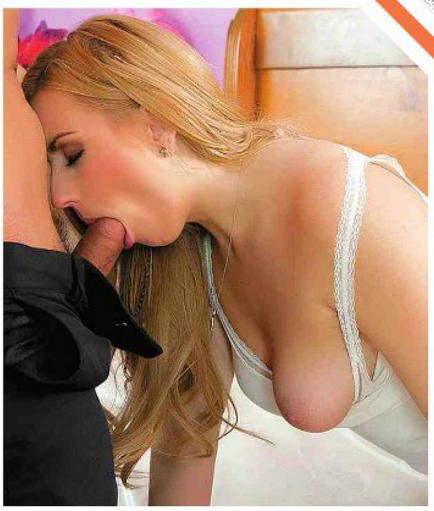
Switching things up, Anthony Rosano takes on the roll of masseur when servicing Tia Cyrus. After a solid oil down session that leaves her glowing, Tia practically begs him to massage her pretty pussy. Of course, he complies, filling up her innards with plenty of his fuel injection before melting in her hands.

Also offering premiere massage services is Mark Wood. Delighted when Brooklyn Jade strolls into his shop, he's ready to rub one out. Going straight for her clit, Mark doesn't waste any time. In fact, his oral skills seem to be so invigorating, she opens her legs and urges him to pound her pussy using his aggressive Shiatsu style.

In the end, Chanel Preston delivers the hottest scene when being massaged by Dale DaBone. Undoubtedly turned on by one another, it's great watching these two professionals collide in what becomes a slippery ride for the both of them. Rating: ♣♣♣

Buffy the Vampire Slayer XXX: A Parody

Starring: Lexi Belle, Jessie Andrews, Chanel Preston, Ash Hollywood, Amber Rayne, April O'Neil, Britney Amber, Rocco Reed, Tom Byron, Kris Slater, Michael Vegas
Directed By: Lee Roy Myers
Available From: Adam & Eve Pictures



Chosen by fate to battle against vampires, demons, and other forces of darkness—Buffy Summers is back in hardcore action once a new band of sexy bloodsuckers infiltrate her hometown. This is the hardcore hilarity created in this punchy parody, helmed by award-winning director, Lee Roy Myers. With dangerous demons hot on their heels, and the crew hot for each other, will these sexy slayers achieve their goals, or will they be transformed into fang-fuckers themselves?

The salacious saga begins with Willow (Jessie Andrews) concocting a torrid dream spell that manifests into Angel (Rocco Reed) ravaging Buffy (Lexi Belle) while she sleeps. Worshiping her body and sucking her tits, Angel enjoys every inch of Buffy. Even better is the way Buffy bumps and grinds his dick in reverse cowgirl. Smashing!

Meanwhile, Rupert (Tom Byron), Buffy's mentor and trusted guide, is startled to the core when Chanel Preston, his deceased lover, manifests in the flesh. Delivering a top-notch blowjob that makes her drool, Chanel definitely knows how to suck cock. After allowing him the some oral delights, Rupert creams Chanel's seams in a standing doggie arrangement that perfectly accentuates her gorgeous gams.

As that scene dies down, another round of nocturnal nookie occurs between Willow (Jessie Andrews) and Xander (Kris Slater). With plenty of healthy body exploration and a blowjob that is administered with a smile—Willow works up a sweat in cowgirl. Although a bit on the tame side, it's still a good scene.

Even better than the previous encounter is watching vampire vixens, April O'Neil

and Amber Rayne, devour their master, Ash Hollywood. Bending and twisting across the cement floor, these girls dive deep into gash, keeping the action strong until each girl percolates with pussy pop.

Michael Vegas and Britney Amber end the scene on a very high note. With bouncing titties, bottle-blonde hair and an overtly eager pussy—Britney is the kind of girl worth sinking your teeth into. Rating: ♣♣♣♣

Young and Glamorous 3

Starring: Jada Stevens, Riley Reid, Anikka Albrite, Maddy O'Reilly, Molly Bennett, Mr. Pete, Manuel Ferrara, Erik Everhard, Prince Yahshua
Directed By: Chris Streams
Available From: Jules Jordan Video

Chock-full of gorgeous, young things—director, Chris Streams, backs up his winning series with a follow-up project that is just as enticing as the first two. With five, all-natural starlets, soft lightening that has become his signature style, and award-worthy camera-work—expect to fall in love with each of the featured females. Although different in sexual ability and appearance—each girl has what it takes to stand toe-to-toe with the industry's brightest stars.

Molly Bennett, a pixie blonde with pretty eyes, begins the show by slowly stripping out of her lingerie. She drenches her fingers with sticky pussy juice before turning her wet self over to Mr. Pete. Taking her to a nearby couch to finish the job—Mr. Pete churns up dollops of pussy pulp, once he begins pounding her in mish. Creamy!

Afterwards, Prince Yahshua warms up Anikka Albrite by kissing her legs. We later watch Prince grind his paws into her curvy hips while banging her doggie style. Working up one orgasm after another, Anikka is hot for the taking.

Later, Riley Reid enjoys a sultry bubble bath before Erik Everhard stabs her mouth with his meat sword. An expert at administering oral—Riley delivers the goods, along with some impressive tongue flicking action before she's thoroughly dicked and doused with cum.

In what becomes the steamiest encounter, we watch Jada Stevens shake her perfectly round ass for the camera. From here, she allows Mr. Pete full control of her holes. With explosive anal and some aggressive sexual displays, Stevens demonstrates why she should be on the top of everybody's radar.

Maddy O' Reilly—one of the most stunning starlets to come around in a while—ends the show with Manuel Ferrara. After impressive oral administered to both—Ferrara takes full advantage of this auburn angel—making her work the hardest in cowgirl position. Perfect! Rating: ♣♣♣♣♣

High Class Ass 2

Starring: Alexis Texas, Asa Akira, Amy Ried, Jynx Maze, Madison Ivy, Manuel Ferrara, Erik Everhard, Steve Holmes, Nacho Vidal
Directed By: Assorted Directors
Available From: Live Gonzo

With sexy tease sessions that begin each scenario, we are sufficiently warmed up before the big race. Although the name of the title may be a tad misleading, this production isn't entirely an all-anal movie. What it is, however, is a skin flick that celebrates sexy sluts with big, round butts. With so much juicy tail on the line, what more could an ass aficionado ask for?

Although Amy Ried is more well known for her sensational tits, she is spun around in this production so that we may also admire her backside. Firm and round, Manuel Ferrara definitely agrees with our assessment, although he opts for attacking her ripe titties first. Once satiated, he dines at the Y before tinkering with her ass in the sixty-nine position. From here, it's pussy fucking galore!

A starlet who needs no introduction, Asa Akira kills it in the next encounter. She begins by playfully teasing the camera in her white lingerie before sucking Erik Everhard's cock as if he's the last man on the planet. Later, he fingers her asshole and stuffs it full of cock, offering us plenty of orgasmic gapes and goo.

Before your heart rate has time to settle, Alexis Texas appears in a slinky black dress that perfectly accentuates her legendary booty.

Affixing his face to her anus, Steve Holmes gets a solid taste of tushy before stuffing her full of meat in mish. Although it's extremely hot, it only gets better once she jerks him off with her pretty feet.

Madison Ivy, a beautiful German goddess, continues with Nacho Vidal. Delivering his usual uber aggressive style doesn't seem to scare off this frisky kitty. In fact, his hostile hardcore seems to rub her the right way, as she continuously begs him for more.

In the end, Jynx Maze delivers another powerhouse performance alongside Manuel Ferrara. Giving up gobs of gash and gape, Jynx has solidified herself as a premiere anal queen. Rating: ♣♣♣♣♣
